

INDEPENDENT AUDITOR'S REPORT

To the Members of ELIGO BUSINESS & ADVISORY PRIVATE LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **ELIGO BUSINESS & ADVISORY PRIVATE LIMITED** ("the Company), which comprise the balance sheet as at 31st March 2024 and the statement of Profit & loss (including Other Comprehensive Income), Cash Flow statement and Statement of changes in Equity for the year ended on that date, and Notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards Prescribed under Section 133 of the Act read with Companies (Indian Accounting standards) Rules, 2015 as Amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit matters are those that, in our professional judgment were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit

of the Financial Statements as a whole and in forming our opinion thereon and we don't provide a Separate opinion on these matters.

Information Other than the Financial Statement and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to board's Report, business Responsibility Report, Corporate Governance and Shareholder's information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Responsibility of the Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance, in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management and Board of directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of director's are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's

report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the said Order.

2. As required by section 143(3) of the Act, we further report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) The Balance Sheet, the Statement of profit and loss Including Other Comprehensive income, the statement of cash Flow and Statement of Changes in equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards Specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on March 31,2024 and taken on record by the Board of Directors, none of the directors are disqualified as on March 31,2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the Internal Financial Control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 1 of the Companies (Audit and Auditors) Rules, 2014 as amended in our opinion and to the best of our information and according to the explanations given to us: -
 - I. The Company does not have any pending litigations which would impact its financial position.
 - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - IV. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall,

whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

V. The company has not declared any dividend during the year.

VI. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF ELIGO BUSINESS & ADVISORY PRIVATE LIMITED

- (i) (a) (A) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company does not hold any Property Plant and Equipments. Consequently, Clause (i)(a)(A) of the order is not applicable to the company.
- (B) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company does not hold any Intangible assets. Consequently, Clause (i)(a)(B) of the order is not applicable to the company.
- (ii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company does not hold any Inventories. Consequently, Clause (ii) of the order is not applicable to the company.
- (iii) According to the information and explanations given to us, during the year The Company has not provided any loan and advances during the ordinary course of business, secured/ unsecured, to companies, firms, limited liability partnerships or any other parties.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given loan to any director in accordance with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules made thereunder. Accordingly, reporting under clause 3(v) of the Order are not applicable to the Company.
- (vi) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is not required to maintain cost records under section 148(1) of the Companies Act, 2013. Consequently, Clause (vi) of the order is not applicable to the Company.
- (vii) (a) According to the information and explanations given to us, the Company has been regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, goods and services tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, as applicable, with the appropriate authorities. Further there are no arrears of outstanding statutory dues as at the last day of the financial year for a period of more than six months from the date they became payable.

- (b) There are no statutory dues referred to in sub clause (a) which have not been deposited on account of any dispute.
- (viii) According to information and explanations given to us, no unrecorded transactions have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is not declared willful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, term loans have not been obtained by the company so the said clause is not applicable to the company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, funds raised on short term basis have not been utilized for long term purpose, said clause is not applicable to the company.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x) (a) According to the information and explanations given to us, the Company has not raised moneys by way of public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x) (a) of the Order is not applicable to the Company.
- (b) According to the information and explanation given to us and based on our examination of records, during the year, the Company has not made preferential allotment of shares, which is in accordance with the requirements of Section 42 and Section 62 of the Companies Act, 2013 read with Rule 13 of the Companies (Share Capital and Debentures) Rules, 2014 and the funds raised have been used for the purposes for which the funds were raised. Company has not issued any convertible debentures (fully, partially or optionally convertible) during the year.

- (xi) (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the standalone financial statements and according to the information and explanations given to us, we report that no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) According to information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government, during the year and up to the date of this report.
- (c) According to information and explanations given to us there were no whistleblower complaints received by the Company during the year
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us, in our opinion, transactions with related parties are in compliance with Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them during the year. Accordingly, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) The company is not Required to be registered under section 45-IA of the Reserve bank of India act, 1934. Consequently, clause (xvi) (a),(b),(c) of the order is not Applicable to the Company.
- (xvii) According to the information and explanations given to us, the Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has not been resignation of the statutory auditors during the year and accordingly, the provisions of clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial

liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) In our opinion and according to the information and explanations given to us, the company is not covered under Provisions of the section 135 of the companies Act, 2013. Consequently, Clause (xx) of the order is not applicable to the Company.
- (xxi) The reporting under clause (xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE-B To THE INDEPENDENT AUDITORS' REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF ELIGO BUSINESS & ADVISORY PRIVATE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ELIGO BUSINESS & ADVISORY PRIVATE LIMITED** ("the Company") as of March 31st, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Notes on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

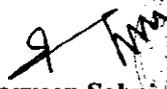

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO BALANCE SHEET AND STATEMENT OF PROFIT AND LOSS

Note 1.

A Reporting Entity

Eligo Business & Advisory Private Limited ('the Company'), was incorporated on **March 13, 2024**. The Company's main business is of Consultancy, Technical, Management, Financial, Market on PAN India basis.

B Basis for preparation

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of services and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The financial statements are presented in INR, the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency').

C Statement of compliance

The financial statements have been prepared in accordance with Ind ASs notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

D Use of estimates and critical accounting judgments

In preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying amounts of assets and liabilities. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised.

Significant judgments and estimates relating to the carrying amounts of assets and liabilities include useful lives of tangible and intangible assets, impairment of tangible assets and intangible assets, provision for employee benefits and other provisions, recoverability of deferred tax assets and commitments and contingencies.

E SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(i) Revenue from contract with customers

Company has adopted Ind AS 115 "Revenue from Contract With Customers" starting March 13, 2024. Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at a point of time. Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the asset.

a) Sale of Services

Revenue from the sale of services in the course of ordinary activities is measured at the fair value of the consideration received or receivable. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the Customer, recovery of the consideration is probable, the associated costs are estimated reliably, there is no continuing effective control over, or managerial involvement with, the services, and the amount of revenue can be measured reliably. The timing of transfers of risks and rewards varies depending on the individual terms of sale, usually in case of domestic, such transfer occurs when the services are provided.

[Handwritten mark]

[Handwritten signature]

[Handwritten signature]

(ii) Foreign currency transactions and translation

The financial statements of the Company is presented in INR, which is the functional currency of the Company and the presentation currency for the financial statements.

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

In Current Financial year there is no foreign currency Transaction or translation Reserve .

(iii) Property, plant and equipment

An item of property, plant and equipment is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying amount of the replaced part is de-recognised.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised. Borrowing costs during the period of construction are added to the cost of eligible tangible assets.

Gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying amount of the asset, and is recognised in the statement of profit and loss.

Since this is Entity first year of operation Entity doesn't hold any Property plant and equipment in the said current Financial year

(iv) Depreciation and amortization of property, plant and equipment and intangible assets

Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life and is provided on written down value basis over the useful life as prescribed in Schedule II of the Companies Act, 2013 unless otherwise specified. Depreciable amount for the assets is the cost of an asset less its estimated residual value. Depreciation on addition to/deductions from fixed assets is provided on pro rata basis from/to the date of acquisition/disposal. Depreciation on assets under construction commences only when the assets are ready for their intended use

Since the company doesn't hold any Property Plant and Equipment so there is no Depreciation arise for the current Financial year

(v) Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

a) Financial assets

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through profit or loss

[Handwritten signatures]

Impairment of financial assets

Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition. For financial instruments whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised.

Derecognition of financial assets

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing of the proceeds received.

b) Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are measured at fair value, net of transaction costs.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

c) Derivative financial Instruments

The Company has no such derivative financial Instruments for the Current Financial year.

(vi) Employee benefits

Defined contribution plans

There is no such Contribution of company towards Employee post Retirement Benefit Plan.

Defined benefit plans

For defined benefit retirement schemes, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each balance sheet date. Re-measurement gains and losses of the net defined benefit liability / (asset) are recognised immediately in Other Comprehensive Income. The service cost, net interest on the net defined benefit liability / (asset) is treated as a net expense within employment costs.

Past service cost is recognised as an expense, when the plan amendment or curtailment occurs, or when any related restructuring cost or termination benefits are recognised, whichever is earlier.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined-benefit obligation, as reduced by the fair value plan assets.

(vii) **Inventories**

Inventories are valued at lower of cost and net realizable value (except scrap/waste which are valued at net realized value) "Cost" comprises all cost of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition. The cost formula used is either "first in first out", or "specific identification", or the "average cost", as applicable.

There is no Inventory Lying with the company as at the end of Current Financial Year

(viii) **Provisions**

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

Constructive obligation is an obligation that derives from an entity's actions where:

(a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities; and

(b) As a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities

(ix) **Income taxes**

Tax expense for the year comprises current and deferrad tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates and tax laws enacted in the country. Applicable Tax rates for calculating current year income tax provision & deferred tax include Health & Education Cess which has been held to be deductible expense as per various judicial pronouncements. Accordingly, provision for income tax of current year has been worked out after considering the deductible health & education cess paid during the year.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be recovered or settled.

Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity

(x) **Cash and Cash Equivalents**

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks, remittances in transit and other short term highly liquid investments that are readily convertible to know amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

(xi) **Leases**

Company has not Taken/Given any asset at lease so the said Clause is NA to the company for the Current Financial year

(xii) **Investment properties**

Property that is held for long term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at cost, including related transaction cost and where applicable borrowing costs. Subsequent expenditure is capitalized in the assets carrying amount only when it is probable that future economic benefit associated with the expenditure will flow to the Company and cost of the items can be reliably measured. All other repair and maintenance cost are expensed when incurred.

Investment property are depreciated using written down value basis over the useful life as prescribed in Schedule II of the Companies Act, 2013 unless otherwise specified.

There is No Such Investment Property is there which should be measured as per IND AS-40 "Investment Properties"

(xiii) **Business combinations**

Acquisition of subsidiaries and businesses are accounted for using the acquisition method. The consideration transferred in each business combination is measured at the aggregate of the acquisition date fair values of assets given, liabilities incurred by the Group to the former owners of the acquiree and equity interests issued by the Group in exchange for control of the acquiree.

Goodwill arising on acquisition is recognised as an asset and measured at cost, being the excess of the consideration transferred in the business combination over the Group's interest in the net fair value of the identifiable assets acquired, liabilities assumed and contingent liabilities recognised. Where the fair value of the identifiable assets and liabilities exceed the cost of acquisition, after re-assessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve on consolidation.

In the Current financial Year Company Hasn't made any Acquisition Termed under IND AS -103 "Business Combination"

Debt Service Coverage Ratio	N.A.	N.A.
Return on Equity Ratio	0.58	N.A.
Inventory turnover ratio	N.A.	N.A.
Trade Receivables turnover ratio	N.A.	N.A.
Trade payables turnover ratio	N.A.	N.A.
Net capital turnover ratio	0.81	N.A.
Net profit ratio	0.72	N.A.
Return on Investment	-	N.A.
Return on Capital employed	0.58	N.A.

Reason for change in ratio: The company revenue has significantly reduced during the current year due to global demand/supply issues. As a result of these there is a significant changes in ratio

Methodology:

1. Current Ratio = Current Asset / Current Liability
2. Debt-Equity Ratio = Total Debt / (Total Debt + Equity)
3. Debt Service Coverage Ratio = EBITDA / Finance Cost
4. Return on Equity Ratio = Profit After Tax / Total Equity
5. Inventory Turnover Ratio = Purchase / Inventory
6. Trade Receivable Turnover Ratio = Revenue from Operations / Trade Receivable
7. Trade Payable Turnover Ratio = Purchase / Trade Payable
8. Net Capital Turnover Ratio = Revenue from Operations / (Current Asset - Current Liability)
9. Net Profit Ratio = Profit After Tax / Revenue from Operations
10. Return on Investment = Net income on investment / Cost of Equity Investment
11. Return on Capital Employed = Profit After tax / (Total Equity + Total Debt)
